

A Light Has Come

*A light has come from Bethlehem
that has continued to enlighten
the hearts of men and women.
The angels' message
again and again gives us new hope.*

*Centuries have passed since then
and so much has happened
to make us lose heart -
wars and disasters
and disappointments of every kind.*

*But the good news,
the grace of that child*

*and the happiness of that mother
have continued to help people and
nations*

*to free themselves from the night
in which they again and again
have found themselves straying.*

Happy Christmas
